Lodi & Lake Wisconsin Chamber of Commerce

Over the years many upstanding Lodi residents have been honored with awards and in 1987 it was decided a more formal nomination process should be established. The awards selection committee is formed from past honorees to take nominations and make the annual decision.
Nominees are to be upstanding citizens who have made a positive impact on the Lodi Community through their actions. These actions should be over a span of time and should be voluntary in nature.

Nominations can be made by anyone in the community, and the panel of past award honorees weights the choices, debates their strengths and eventually arrives at a decision.

Nomination: _____Phone number_____

Your Name: _____Phone Number:_____

Due December 16th

Please provide information; (Please use back if needed or type and hand in)
